

# 2015 SPIE OPTICS CHILDREN EVENT

## THE WORLD OF COLORS

What is  
color?

What causes  
a rainbow?

What is  
RGB?

Why is  
the sky  
blue?

What is a  
spectrum  
of colors?

Lets discover  
the answers!!

January 24, 2015 13:00~15:00

The event is for showing and explaining experiments about light and colors. Description will be in English and Japanese.
